White Pipes – Autumn/Winter Collection 2025 (9mm)

Handcrafted Meerschaum Pipes

Tradition & Craftsmanship in Every Pipe

Please Note

Each pipe featured in this catalog is handcrafted from natural block meerschaum. Due to the organic nature of the material, slight variations in color, grain, and form may occur. These nuances are not imperfections, but rather a testament to the individuality of each piece. Please note that photographs may not fully capture the depth, warmth, and detail of the original pipe.
